RESUME: This tour hikes one of the most famous treks in the Cordillera Blanca and involves a fascinating mountain landscape.

This 4 day hike covers about 45 km and altitudes ranging from 3,000 to 4,800m. The trek goes through dynamic terrain, including flower-filled meadows and glacier-fed turquoise lakes. The trail is also very well maintained, with campsites and toilets along the way.

It is not particularly difficult (rated easy to moderate) so long as you have acclimatized for a few days in Huaraz...
